

Product Description

Wade Antenna's Non-Penetrating Roof Mounts, or NPRMs, are a top seller to Wireless Internet Providers, Municipalities for wireless networks, Two-Way Radio communications, schools, and more.

With over 20,000 units sold since 2001, these versatile mounts have quickly become one of Wade's most popular products.

Features

- 2 gauges of pre-galvanized steel frames to choose from
- Accepts our Wade Pop-up masts for added height (guying required)
- Full base models accept up to a 2½" mast with a 54" minimum height
- No anchoring necessary
- Rigid construction will withstand harsh elements
- Accommodates both cinder blocks and patio stones
- Stabilizing white mats available to protect the mounting surface
