“

The highlight for me was the experience as a whole. I have never attended an APCO International conference before and I thought it was amazing.

– APCO 2022 Attendee

“

The ability to network with committee members, friends and new attendees was a highlight of my conference experience. I spoke with several new attendees who were impressed by the speakers, sessions and events that occurred during the conference.”

“

The material covered during the sessions provided me with a ton of information I can take back to my agency.

– APCO 2022 Attendee

“

It was my first conference. I think the best part was just being around a huge group of folks in 9-1-1 that weren't working. I have never had a chance to just sit and talk shop without being in my dispatch center. - APCO 2022 Attendee
