Wi-Fi Right Angle Mount with Large AP Cover

Ventev's Wi-Fi Right Angle Wall Mount with Clear or White Large AP Cover, hinged cover and T-bar backplate is designed to provide optimal Wi-Fi coverage in high-ceiling structures. With an integrated AP Cover, this enclosure can comfortably fit most indoor access points and provide maximum protection from tampering without RF interference. The enclosure can be horizontally mounted on a wall, making it ideal for warehouses, hospitals, campuses and universities. Designed using powder-coated steel, this lightweight enclosure is easy to deploy and ensures safe and reliable installation.

Keys included with enclosure

SPECIFICATIONS

White AP Cover

Model Number: V-HWM-12124-W

SKU: 246008

Semi Transparent Cover

Manufacturer's Part #: V-HWM-12124H-C

SKU: 593890

Dimensions: With AP Cover 14.06" x 12.5" x 8.31"

Compatible Access points:

Cisco: 3502i, 2602i, 2702i, 3702i, 2802i, 3802i
