Trade Up to Cambium Networks Wi-Fi 6/6E Exclusive Pricing for Xirrus Customers

**Expiration:
December 31, 2023**

As a Xirrus customer, you can take advantage exclusive pricing on Cambium's Wi-Fi 6/6E offerings with the Xirrus Trade Up Promotion.

As a Xirrus customer, you know the advantages a high-performance Wi-Fi network provides. In 2019, Xirrus was acquired by Cambium Networks, and since that time, the two organizations have combined forces to develop innovative Wi-Fi 6/6E and software solutions leveraging the latest Wi-Fi technologies—moving forward the high-performance standard for which Xirrus is known.

Solution Benefits

- *High-performance Wi-Fi solution*
- *Latest, standards-compliance technology*
- *Flexible management options*

Upsell Affordable Home Wi-Fi to Your Clients

**Expiration:
March 30, 2024**

Home Wi-Fi routers on sale from Cambium Networks. Increase the share of the Wi-Fi home routers in your service area at a price your customers won't be able to refuse.

Plus the ability for Service Providers to cloud manage the R195W with cnMaestro™.

Solution Benefits

- *Higher performance and range*
- *Attractive price point*
- *Managed by cnMaestro*
